

## **Mr. Tiwari (Ministry of Agricultural Development, Nepal) and Dr. Mahto (National Agriculture Research Council, Nepal) visited NARO headquarter and Genetic Resources Center**

Mr. Suresh Babu Tiwari (Joint Secretary, Ministry of Agricultural Development) and Dr. Baidya Nath Mahto (Executive Director, National Agriculture Research Council) visited NARO headquarter and Genetic Resources Center on 17th January, 2018. Dr. Mahto introduced research activities and Mr. Tiwari explained germplasm exchange policy in Nepal at NARO headquarter. In Genetic Resources Center, they visited conservation facilities of Plant, Micro-organism and Animal genetic resources. We have agreed further research collaboration in the PGRAsia project.
